# LAST WILL AND TESTAMENT

I, Brenda Beam being of CRAZY mind and lacking in every department body do hereby bequeath the following: To Julie M. I leave our great Billy Jean King and Cris Evert Lloyd memories and the weekend that most of our class camped out at Nelsons. I will never forget these good times and also the tons of others we've had. I hope we can always stay close friends. To Jeff I leave all of our great Business Law memories, especially your paperclip trick. I also leave you a pair of "prescription sunglasses" so the great pumpkin can't yell at you to take them off. To Charlie all the fun that I had. To Mom and Dad a big hug and thank you for all that they've done for me. And last of all To the small but mighty class of 1987, it's been GREAT!!!!!!

I, Jeana McCutcheon, being of sound mind and body do hereby leave the following: To the boys basketball team who could never seem to get their manager into the locker room, it's been a lot of fun as your manager and I wish the 1987-1988 basketball team the best of luck. To my employers, Mr. H and Mr. K and Mr. Mac "Get your own towels, fill your own water bottles, sweep your own floor and get your own spit cup, I've retired from the managing field." But even though it was a dirty job I enjoyed every minute of it. To Joe Simon I leave a long awaited revenge, "A pinch hickey" Ha! Ha! and a lot of good memories. To Larry Neilsen the ability to beat on girls. To Todd E I leave the ability to not apologize when he bumps into someone bigger than himself. To Mr. E I'm sure that after having a computer class like ours you'll want to retire the computers in our names and to anyone who cheats off my computer disk "It won't do you any good!!" To Shelly O. I leave my fake I.D. since there has never been such a resemblance between two cousins. To High School Choir a "I" rating which we haven't gotten yet but is within our reach. To Casey Carey, Todd Biley, Larry Neilsen, Benji S., you've made Algebra an experience I'll never forget, especially you, Casey. I think Sliefert should get a different seating chart before I go insane. To Thad G next year you will have the sax section all to yourself, but until then, keep practicing. To Mr. Hartman and Ms. Weber You're great sponsors, I just wish you'd let us get away with more

stuff. To Shawn and Craig you're great guys who need to just loosen up a bit. Not you Shawn, Craig!! I like you guys!! To Mrs. Coon, for a teacher, you're pretty fun. Thanks for everything. To Bon Jovi who is secretly my second cousin I leave my white rain shampoo. To Mom and Dad you're great parents, but that doesn't mean that someone of my nature couldn't use a car because I could! I know life with us three hasn't been easy, but we love you. To Julie and Jeana you've been great friends and sisters. You mean the world to me, even though I go through so many phases that you don't approve of Julie, you're wild, loving and a pain in the butt, but you understand me better than Jeana, so I guess that makes you kind of superior, huh? **WRONG!!** You two are equal to the max!! Jeana—Julie may be more like me, but that's not saying you don't have your moments. The things I could tell mom, but won't. You're too conservative to go on shopping sprees with and too nice to hang out car windows with, but those qualities make you special. Thanks for spending time with me and encouraging me and my ways. **LOVE YOU!!!!!!!!!!!!!!**

To Sheila B I leave a tall, dark and handsome guy, so (according to her) she won't be alone the rest of her life. To Mr. Knapp You are an awesome teacher and a fun person to take pictures of. To Mr. E. of all the teachers you are the most understanding, (how else could you have possibly gotten through our computer class). After that class I think I can take on the world!! To Mr Flaws I know he's gone but if it weren't for him I'd be going home every day after school drinking a Pepsi and watching the *Beaver!!* He was understanding and always gave support to his team including the Jazz band and Choir. **THANKS A BUNCH!!** To Dusty R. I wish him lots of luck in sports, even though he doesn't need it. To Troy Cross I leave all the good and of course the bad times that we shared as friends. I know without you my life would have been totally boring. So thanks for just being you. To the Swing Choir keep working, cause I know you'll go far. To Mrs. Washburn Good Luck with your band and thanks for helping us out in choir. **YOU ARE A GREAT TEACHER!!!!** Also; I would like to leave you about 25 people who will help you on the annual next year since only about four of us worked at all this year. To the graduating class of 1987—Thanks for all the fun times at Nelsons park and the rest we'll keep confidential!! I will never forget you!!!! Last but certainly not least I would like to thank my family!! There's not much to say, because as you can tell by the time you get this far through the last wills you've already read my sisters. The second part of the year was the most challenging for the three groups. A lot of hard work and extra hours went into perfecting the performances. The Choir and Girls Choir attended large group contests. The Girls received a "I" rating and the Concert Choir a "II".

The Swing Choir was where most of the extra hours came in. They performed at three contests during the year. One was the Morningside College Tri-State Jazz Festival where they performed to perfection and carried home the 1st place trophy.
